The Original Since 1935

Since 1935, GE Appliances Disposall has been the original name in kitchen waste management. Our disposers are renowned for their reliability and efficiency, making kitchen cleanup a breeze. Trust in our decades of expertise to deliver the quality and performance you expect in your home.

Direct Replacement

Compatible with existing InSinkErator 3-bolt mount to easily swap out the disposers

Septic Safe

This septic safe food disposal works with properly maintained septic systems. Additional accessories are not needed.

Reduce Odors, Improve Hygiene

Reduce food waste in your trash, and help eliminate odor-causing bacteria

Made to Last

Engineered with durable, rust-resistant stainless steel blades that stay sharper longer than other metals.

Jam Resistant Technology

Our advanced motor technology powers through the toughest foods without jamming or clogging. No "jam-buster wrench" needed!

No Clog Disposal

Drain Boost technology uses an angled fin to forcefully direct water, preventing jamming and effortlessly draining food waste.

Reduce Waste

Keep kitchens clean and reduce waste by easily grinding food scraps, helping to minimize discarded food being sent to landfills.

Power Cord Included

Save time during installation with a garbage disposal power cord, attached to your unit and ready to grind.

7-Year Warranty

This garbage disposal comes with a 7-year limited warranty, so you can have peace of mind. (See written warranty for complete details.)
